

The illustration depicts a scene from the Fate/Levend Order. In the foreground, a woman with long, flowing white hair and a black decorative headpiece looks down with a blushing, somewhat mischievous expression. She is wearing a light blue, long-sleeved button-down shirt with a red tie, which is unbuttoned at the top, revealing her chest. She holds a purple flip phone in her right hand. In the lower foreground, a young man with dark hair and a red face is cowering or crawling away, looking back over his shoulder with a distressed expression. In the background, a woman with blonde hair and a blue helmet-like headpiece is running away, carrying a large basket of apples. The setting appears to be a city street with a bicycle and a building in the background.
